## Web Site

Local 1016 now has its' very own web site! The site, [www.caw1016.ca](http://www.caw1016.ca) is the place to go for continuously updated information and news regarding our Local. The website also includes a separate Members Forum, allowing for open discussion and the ability to conduct online voting. The Members area is restricted to active Local 1016 members only, requires registration, and is password protected. This site is for you, the membership, if you feel there is anything that we may have overlooked, please let us know. Pass the word around, get involved and sign up now for access today!!

## Collective Agreement

The wording of the collective agreement has been finalized and we re in the process of verifying the French translation. As soon as the verification is complete the document will be sent for printing. The English version is available now on our website.
