## Classification Project Update

The latest Classification Communiqué is now available on the website, from your Regional Rep, or from your local member of the Classification Advisory Committee. Our next meeting will be during the week of July 16 we will hear proposals from the contractors.

## Collective Agreement

The Collective agreement has finally gone to the printer. With any luck, we should all have copies of the new agreement some time in August.

## Website

The website is undergoing some changes. We have changed the format so that more information is available prior to login. There are currently only 97 members signed up on the site, and our goal is to have all members signed up by the end of the year.

## President on Leave

The President will be on leave from July 1<sup>st</sup> until July 15<sup>th</sup>. During my absence please take your concerns to your Regional Rep. Joel Fournier will also be available to assist in case of emergency.
