Bargaining Update

On June 25th, Local 1016 president Shawn Wood, Christine Lizotte (YYZ) and CAW National Rep Joel Fournier met with management in Ottawa. The purpose of this meeting was to discuss options aimed at resolving a number of issues, and to see if it was worthwhile to bring our team back to the bargaining table. Very little progress was made and we appear to have reached an impasse on several significant matters such as; employment security; tech change; work ownership (students doing TSS work); sick leave payouts and pensions. Further dates have not been set and your bargaining team plans to meet during the summer to discuss options such as mediation/arbitration or binding arbitration. The executive of CAW Local 1016 does not wish to settle for less than what has already been offered to our CAW brothers and sisters.
