Bargaining Update

Your Bargaining Team was back in Ottawa over the weekend to continue mediation with Nav Canada. Some progress was made, but we could not agree on some key issues. These issues include;

- Improvements to the Employment Security & Tech Change provisions
- Work Ownership
- Sick Leave Payouts
- Pensions.

The Bargaining Team is now convinced that our best chance for a positive resolution to these issues will be in arbitration. The arbitration has been scheduled for January 19th and 20th 2010 as these were the first dates available. If you have any questions about the arbitration process, please contact your Regional Rep.
