

Contract Arbitration

Arbitration of our collective agreement was completed January 19th. We expect the written decision from the arbitration panel sometime around the beginning of February. Once the Arbitrators decision is received, we will set up meetings in each region to brief the membership on the new collective agreement.

Classification Arbitration

The Arbitration for the Classification Review has been scheduled for the first week of March. The arbitration will be dealing with the monetary portion of the review. The results of this arbitration will be made available as soon as the written decision is received.

Health Care Claims Deadline

As a result of changes to the Health Care Plan during the last review, the deadline to claim 2009 expenses is March 31, 2010. This means that all 2009 Health Care Expense Claims must be received by Sun Life prior to March 31, 2010
